

# OZNEWS

OZNEWS, which is distributed free to AUSTAND members, informs Australians about their country. The continued growth of OZNEWS therefore is vital. If you change your address or email, please advise us immediately.

**McCafferty's Bus Line** distributes packs of OZNEWS to terminals and stop-off points throughout Australia. If you require additional OZNEWS (100 or more) and can put them to good use, fill in the coupon below then mail or fax it to us. McCafferty's will phone you when the package arrives. **These OZNEWS cost \$35 per 100 to cover printing costs.** This offer is also now available for members of **THE GREAT AUSTRALIANS**. If you want fewer than 100 please send \$1 per copy (incl postage).
